This is between the lines that you understand literature.
This concerto inspired by Italo Calvino could even inspire the writer himself.
Kai N. managed to find the music of a silent garden and music of a thinking man in this garden.
Music is coming from silence and going to silence.
Thanks to Kai to make that possible in this flute concerto

Patrick Gallois

C'est entre les lignes que l'on comprend la littérature.
Ce concerto inspiré d'I.C. aurait pu inspirer l'écrivain.
K.N. réussit dans sa musique à saisir le silence d'un jardin et la pensée d'un homme.
La musique naît du silence et retourne au silence.
Merci à Kai d'avoir rendu ces impressions dans ce concerto pour flûte
