Tape Music

For 5 Roto-toms
and optional resonator

2023

Duration ca 7 minutes

Instructions for the Tape Music

5 Roto-Toms [two sets: 6", 8", 10" and 12" & 14"]

Implements needed:

Duck tape, clear tape and metal spring

Performance notes:

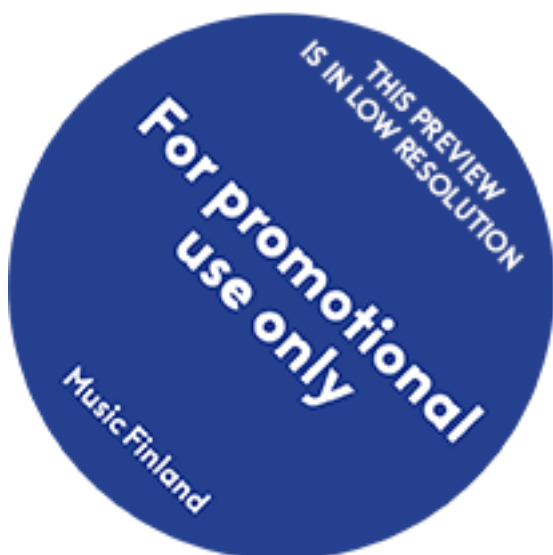

Attach both sets of toms at the side of the grand piano with a clamps. Put a weight on the right pedal of the piano, so the strings can ring freely.

The grand piano works as a resonator and it should be amplified. If there is no grand piano at the concert place, try to find another kind of resonator or use live electronics in order to get the same kind of effect.

Put the duck tape on the Roto-toms skins.

Measure the tape fit in each drum skin from side to side.

Put the one long clear tape in a way that it connect all the drums together. It should be taped at the edge of the skins.
