Sävellyksestä – About the composition

Pakahtuisi on minulle hyvin henkilökohtainen teos. Se käsittelee erästä vaikeaa tilannetta elämässäni, jonka yksityiskohtiin en kuitenkaan halua mennä. Sävellyksessä tilanteen aiheuttama tunne lähes herpaantuu, mutta ei aivan.

Pakahtuisi is Finnish and means something like "would be overwhelmed."

It is a highly personal piece, dealing with a difficult situation in my life which I won't go into specifics. In the work the emotion evoked by the situation is almost released, but not in whole.

Helsingissä – in Helsinki 5.9.2025

Duration app. 4' 30'' minutes.

Dedicated to Malla Vivolin who commissioned the work (as well as a version for flute).

Work was kindly supported by Music Promotion Centre Finland (Musiikin edistämissäätiö MES).
