Notes on Performance and Notation /
Hinweise zu Notation und Ausführung

General Remarks / Allgemeine Bemerkungen

Double barlines show a change in one or more aspects of the material, and do not generally stand for any pause or break in the music. Where a pause between two measures is called for, a dot and/or fermata is used to indicate it.

All parts/section are played attacca.

ca. 6'' etc. = ca. 6 seconds

Quarter-tones / Vierteltöne:

♭[♯] ♯[♯] ♯[♯] (♭) ♮ ♭[♭] ♭[♭] ♭

0 +1/4 +1/2 +3/4 (0) -1/4 -1/2 -3/4 0

♭[♯] ♮ etc. = Non-tempered secondary accidentals, slightly modifying the indicated pitch in the direction of the appended arrow.

All accidentals (including micro-tones) apply for the duration of a whole bar.

“*f*” dynamische Angaben in Klammern bezeichnen die Intensität der Aktion, nicht das akustische Resultat / dynamics in quotation marks indicate the intensity of the performance manner and not the resulting absolute volume of the action.

l.v. lassare vibrare: let vibrate / klingen lassen

ord. (ordinario): löst die vorangegangene Spielanweisung auf (zum Beispiel Kontanktstelle des Bogens) / return to standard playing (for. ex. bow position)

Strings / Streicher

flaut. (flautando):ohne Vibrato und mit wenig Bogendruck / without vibrato and with a little bow pressure

hart pizzicato / hard pizzicato (“Bartók pizzicato”)

ponte = (sul ponticello): am Steg / on the bridge

tasto (sul tast): am Griffbrett / on the fingerboard

col legno battuto: mit Bogenholz / using the wood of the bow

double bass / Kontrabass: also the flageolets sounding an octave lower / auch die Flageoletten klingt eine Oktave tiefer

pizzicato behind the bridge / pizzicato behind the bridge:

pizz

Winds / Bläser

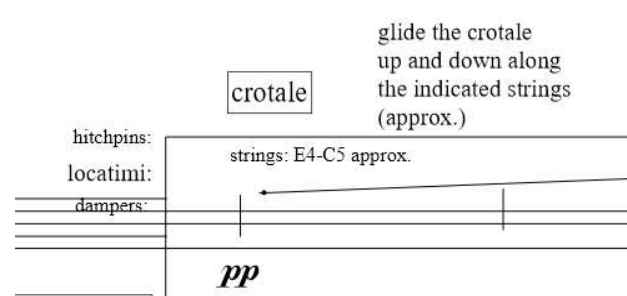

- frullato

Flutter-tongue / Flatterzunge

breathy sound / luftig (Flutes and Clarinets)
- ■

only air / nur Luft

Piano / Klavier

Crotale: Place the crotale approximately on the indicated strings and glide it along the strings in the direction indicated by the upper staff. The aim is to produce a hollow noise-like sound without any clear pitches. With louder dynamics some shrieking overtones will be heard every now and then. Those sounds should not be avoided. The staff shows a longitudinal movement of the crotale along the indicated strings.

“Guero”: Glide over the front surface of the white keys with a plastic card (credit card or sim.). No pitch, only a disjointed noise made by the gaps between the keys.

More instructions in the score.
