Kimmo Laaksonen

Aboe

for solo oboe

Duration ca 3'10"

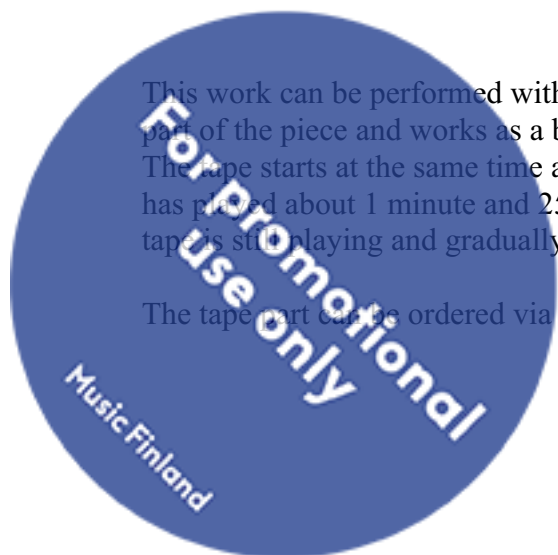

for solo oboe and tape

Duration ca 4'30"

This work can be performed with or without the tape part. In case the tape is used it will be the middle part of the piece and works as a bridge between two solo oboe movements.

The tape starts at the same time as the last note of the first movement (bar 39) is performed. When the tape has played about 1 minute and 25 seconds the oboe starts to play the last movement (Adagio) while the tape is still playing and gradually fading away.

The tape part can be ordered via e-mail from the composer (kimmo.kl5@gmail.com)
