Ohjeita lyömäsoittajille/ instructions for the percussionists

soittaja/player 1: Vain/only MARIMBA: ei kaipaa erillisiä ohjeita/there are no instructions necessary

soittaja/player 2: VIBRAFONI (Vibraphone), GLOCKENSPIEL, CROTALES, 3 TRIANGELS (A), CAMPANE TUBOLARE (PUTKIKELLOT). Muusikko vaihtaa soittimia, osittain samoja 3. soittajan kanssa ja soittaa luonnollisesti seisten. Musician walks from instrument to another changing also instruments with the 3^{rd} player.

soittaja/player 3: VIBRAFONI (Vibraphone), GLOCKENSPIEL, CROTALES, 3 TRIANGELS (**4**), CAMPANE TUBOLARE (PUTKIKELLOT), ISORUMPU (bass drum Θ), TAMTAM (),5 TEMPLEBLOCK,3 TOM-TOM,SNARE DRUM(pikkurumpu). Muusikolle samat ohjeet kuin kakkoselle/same instructions as for the 2nd player.

soittaja/player 4: vain/only DRUM SET(SETTI). Olen saanut jazzmuusikolta perusnuotinnuskaavan, ks. alla/I got a principal notation model from a jazz musician, look below.Stemmat ovat viitteellisia, joten toivon muusikon varioivan ja improvisoimvan kkappaleen osan tunnelman ja dynaamisen tilanteen puitteissa/ There are only a few bars written for the set player to repeat during the part of the piece. I hope the musician is able to variate the given bars and to improvisate within the feeling and dynamic situation of the part he is playing.
