Jukka Tiensuu 1979

The oboist can choose between the two staves ( symmetrical, the upper staff sounds an octave higher than written ) and change the staff where indicated

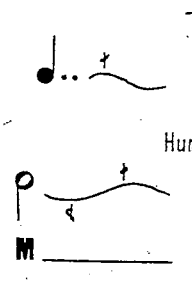

with an arrow : 

Consonants . T P L etc. should be pronounced in the oboe while playing, thus breaking the sound.

 Fingerings have been notated according to the system of Bruno Bartolozzi ( "New Sounds for Woodwinds" ).

The tape part has been written in spatial notation, one 'staff' corresponding to ca. 25 seconds of sound. Except for page 3 the oboe part has also been written in quasi spatial notation. Dotted lines indicate where the oboe and tape parts should be in exact synchronism.

 Slap tongue with key sound.

 Hum while playing.

The tape can be obtained from: Finnish Broadcasting Company  
Kokeilustudio  
PL 10  
SF - 00241 HELSINKI 24
